BUFFALO MAY KEEP CLUB

INDIANAPOLIS, Ind., Nov. 9 .- Directors of the Federal league at their annual meeting here today definitely decided to invade New York in 1916. The Kansas City club, whose franchise was declared forfeited, will be sent to New York and strengthened so that it "will merit the support of the New York fans."

James A. Gilmore, who was re-elected president of the league, stated after the meeting that grounds had been obtained on Manhattan island for the New York He said plans had been submitted for stands to seat 55,000 persons and that the league would be ready for operations in New York at the beginning of the 1916

The Buffalo franchise also was forfelled, but it is understood that the ownors will reorganize and that Buffalo will have a place in the league next season.

"It is believed," said President Gilmore in his statement, "that the Buffalo siteation will later be taken care of propearly by the citizens of that community.

Other Federal Officers. In addition to Mr. Gilmore, who was re-elected president and treasurer, the league named the following officers: Vice president, George S. Reports from the clubs were received and "after consideration of all the facts" reads the statement, "we feel that we were well rewarded for our operations in President Gilmore said no games

After the meeting the majority of the club owners left for French Lick, Ind., where it was reported they would meet representatives of the older leagues with View of settling the "war" between the Federal and organized base ball. It was sald here that Barney Dreyfus of the Pittsburgh Nationals, Colonel Jacob Rupport of the New York Americans and Charles Comiskey of the Chicago Americons were in French Lick, but a dispatch tom French Lick said Colonel Ruppert was the only organized base ball man

Robertson, Buffalo, and Carroll Rasin, Baltimore Ward and Charlie Weeghman, Chicago mid they would go to Chicago tonight, and Weeghman stated that he would join the other directors of the league at French Lick tomorrow. Harry Sinclair of the Newark club was called to New York, and there was much speculation as to whether the trip had something to do with the sale of one of the New York base ball clubs, Carroll Mann of the Kansas City club, who wired that he was on his way, did not reach the city in time to attend the meeting.

A resume of the business transacted by the National association during the year showed that forty minor league organizathe United States and Canada qualified for membership in 1915, as compared with forty-four leagues representing 300 towns and cities in 1914. Ten of these leagues did not begin the season of 1915, and five of the thirty which started failed to complete their season's schedules. One of these was disqualified and he other four dropped out, their fallure to continue continue being attributed mainly to the un usually adverse weather conditions which prevailed. The Huskers played ragged foot ball against Wesleyan. While the absence of Captain Ruther-

ford and two other regulars weakened the Huskers, there is no denying that this year's team has not presented finished foot ball in a single game so far. The line until two weeks aso failed to show any great strength while the Husker offense, brilliant at times, is exceedingly erratic.

Never Invincible. Potentially stronger than a year ago, the Huskers have failed to live up to the expectations. Not once this season have they fulfilled the promise of Nebraska's best eleven and while they have shown occasional flashes, they have never played invincible foot ball.

Back of it is a short story. The Huskers are "sweet on themselves." Over in lows the rivals of the Huskers take delight in referring to Stichm's proteges as "the chesty Cornbuskers," while down in "the chesty Cornhuskers," while down in Badger Foot Ball "the haughty Huskers"-terms of derision which might be ascribed to jealously were it not that loyal Nebraskans realize the lack of "pep" spells danger and that From winning the broad jump to run- the proud Nebraskans, undefeated since

Stiehm clamped the gates tight this afternoon on the first real practice for the Husker-Jayhawker battle. The squad loafed around all last week and spilled a distressing brand of foot ball Saturday as a result. There will be no loafing from now until the time the Huskers leave for Kansas City.

Morgen Post Likes Tone of Wilson's Note to England

BERLIN, Nov. B .- (Via London.) -- Berlin newspapers as a rule make no comment on the American note to Great Britain relative to interference with shipping. Summaries of the note as re- HOLD ceived in Berlin are published even without indications in headlines of the significance attached to the communica tion. The Morgen-Post, however, makes

the following comment: "It is hoped to be the lesson in international law which the Washington government gives the British government will make the desired impression in London. The bare fact that the American government uses such decided and firm language shows that the discontent of wide and influential American circles with Great Britain must be assumed to be very earnest in character.

Galvin hopes that by his action, it will terminate the investigation now in progress to determine whether he has been guilty of professionalism. It is alleged that he played professional base ball during the summer vacation.

The foot ball star bases his action on the ground that he does not want to be subjected to the embarrassment attached to the investigaion of a college athletic's eligibility. He insists that he is an amateur in every sense of the word. Galvin's home is in Glendive, Mont.

Wisconsin is the second "Big Nine" university to lose a star foot ball player this season because of the summer base ball rule, it was pointed out today. Lorin Solon of the University of Minnesota was recently declared ineligible, as it is alleged he accepted money for playing

STECHER-HUSSANE BOUT TO LINCOLN

Capital City Will Probably Get the Match from Omaha Because of High Auditorium Rent.

IT IN STOCK PAVILION

The Joe Stecher-Yousiff Hussane vrestling match will in all probability be held at Lincoln.

The Lincoln Commercial club has offered Gene Melady an attractive proposition to stage the match in the stock pavilion, which has a seating capacity of 7,500 persons, and Mr. Melady has gone to the Capital City to enter into negotiations with the Lincolnites.

It has been definitely decided to abandon any attempts to hold the match in ceed to energetic measures if the case Omaha, in view of the decision of the cent cut of the gross receipts for the rent of the Auditorium.
